

# **Mentoring Programme** **2025-2026**

**Talents of today,  
Guides of tomorrow**

A background image showing a person in a white and blue striped shirt sitting at a table, gesturing with their hands while holding a pen. Other hands and documents are visible on the table, suggesting a collaborative meeting or presentation.

Initially launched in 2015, the French Chamber in Hong Kong is proud to announce the 10th edition of its Mentoring Programme this year.

Each year, this Programme pairs driven young professionals with senior business executives, creating a mutually beneficial learning experience that advances careers and enhances understanding.
