Do not hesitate to spread the word regarding the support offered by the BAG:

A new format has been launched whereby BAG members commit to meet the candidates twice, after preparatory meetings if needed, so that meeting time be totally used to the benefit of the candidate, his project and the advisors.

Start-ups offering disruptive services/products will be offered a special package (open to members only).

Projects to be sent to committees@fccihk.com, and then forwarded to the BAG.

Specific offer for SMEs with over 3 years of experience, as well.

Please contact us and forward the information to your contacts.

Watches are created on a regular basis for most committees: do not hesitate to check your committee webpage for more information on news, events, or indexes...

Recommendations for the Policy Address:

Do not hesitate to forward by Friday, 28 April to committees@fccihk.com any topic or recommendation you would like to raise to the Hong Kong government.

Gentle reminder:

To ease committee meetings organization, it would be really appreciated that:

✦ Members **reply to meetings notices** either by registering to the meeting, or replying that they cannot make it,

✦ **Attend the said meetings when they have registered.**

Meetings imply practical organization and invitation to speakers, and it is important that we know how many guests we shall welcome.

PEARL RIVER DELTA: Can Hong Kong ride the wave?

The Pearl River Delta (PRD) is already the world's largest urban area in terms of size and population with more habitants (67 million) than Canada, Argentina or Australia. But what's in it for Hong Kong?

With the 20th anniversary of the Handover taking place this year, it's a perfect time to reflect on the opportunities and challenges presented by the rapid growth of the PRD region.

Recently relabelled to the 'Greater Bay Area', the PRD is becoming more connected than ever with infrastructure projects like the Hong Kong – Zhuhai – Macau Bridge.

In this issue we've sought the opinion of entrepreneurs, business leaders and innovators to see if this development is good for Hong Kong after all – can Hong Kong ride the PRD wave?

Foreword written by **Stephen Phillips (InvestHK)** and feature interviews with the likes of **Benjamin Joffe (HAX – the world's largest hardware incubator)** and **Ben Simpendorfer (Silk Road Associates)**.
